

growing markets? Or when the countries of Asia talk about ways to rebound from their economic crisis?

Obviously, Mr. Speaker, we are much better off if we, the world's only complete superpower, are at the table for trade negotiations. The world will not stop to wait for us if we simply miss the bus. We will be the losers, Mr. Speaker.

We have got to pass this rule and pass fast track so, as President Clinton said on July 23, we can have these votes and put it together. We can have bipartisan support for a very important policy.

Mr. Speaker, I yield back the balance of my time, and I move the previous question on the resolution.

The SPEAKER pro tempore. The question is on ordering the previous question.

The question was taken; and the Speaker pro tempore announced that the ayes appeared to have it.

Mr. FROST. Mr. Speaker, I object to the vote on the ground that a quorum is not present and make the point of order that a quorum is not present.

The SPEAKER pro tempore. Evidently a quorum is not present.

The Sergeant at Arms will notify absent Members.

Pursuant to clause 5 of rule XV, the Chair will reduce to a minimum of 5 minutes the period of time within which a vote by electronic device, if ordered, will be taken on the question of agreeing to the resolution.

The vote was taken by electronic device, and there were—yeas 230, nays 193, not voting 11, as follows:
